

C&W Specialist Salt

Sodium Chloride for Corrosion Testing

The reliable partner

C&W Specialist Salt exceeds the stringent and globally applied ASTM B117 standard.

Specialist Salt is applicable on every corrosion testing cabinet and meets all requirements within the highest demanding testing standards.

The highest purity salt ensures a reliable measurement at every single test. Our promise is to supply exceptional quality and be your partner in testing.

Independently lab approved

The quality is tested by an independent lab in The Netherlands and meets all demanding requirements within the highest standards.

Features:

- Quick soluble
- Highest purity salt
- No anti-caking agents
- Exceeds ASTM B117 and ISO 9227 standards
- No dusting
- Long shelf life
- Available in 25 kg buckets or 4 x 5 kg buckets
- Independently analysed by a Dutch Accreditation Council authorized laboratory

Ordering Information:

Catalog Number Article Description

CW4096	C&W Specialist Salt (4 buckets of 5kg)
CW4097	C&W Specialist Salt (1 bucket of 25kg)
